- Make-Ups – May 2, 2024

Grade 4

- Tuesday, May 7, 2024
- Wednesday, May 8, 2024
- Make-Ups – May 9, 2024

A Note from Miss Barresi...

Hello Families,

Everyone knows whales are big, but do you know HOW big? Thank you to our amazing PTO for partnering with the WDC - Whale Dolphin Conservation - and hosting a fun enrichment program for our third graders.

Delilah the Right Whale swam over to visit Woodsdale today. She is a life-sized, inflatable North Atlantic Right Whale who transformed our gymnasium space. Delilah measures 45 feet long and reflects the true size of a real whale. The children were delighted to walk inside and study her features. They learned that whales are mammals, how they are important to the health of our oceans, and what we can do to save them.

If you would like to explore the topic some more with your child, you can check out the resource link here by copying and pasting the it into your browser: <https://us.whales.org/educational-material/>

Enjoy,
Miss Barresi - Principal

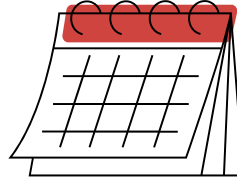

Tips for Families to Support School Attendance...

Please check out the district's attendance practices here:
